

## Welcome to the Toddler Room at St. Pascal Regional Catholic School! Opening fall 2024!

---

### Discover, Learn, Grow

At St. Pascal Regional's Preschool, we believe in nurturing young minds through creativity, exploration, and play. Our dedicated staff and stimulating environment are designed to provide a safe and enriching experience for your child. Toddlers will engage in age-appropriate activities focusing on socialization, sensory exploration, fine and large motor development and early learning fundamentals.

### Program Details

Children must be two years old by August 31, 2024. It is not necessary to be potty trained. Children will remain in the toddler through the school year. Children may attend two, three or five days a week. Hours of care are 7:00 a.m.-5:00 p.m.

### Toddler Monthly Tuition

	Two Days	Three Days	Five Days
Full Tuition	\$1000.00	\$1300.00	\$1800.00
Subsidized Tuition	\$500.00	\$750.00	\$900.00

\*Families must complete an Early Learning Scholarship in order to qualify for subsidized tuition.

---

### Our Programs

- **Toddler Program (Ages 2-3):** Engage in age-appropriate activities focusing on socialization, sensory exploration, and early learning fundamentals.
  - **Preschool Program (Ages 3-5):** Foster cognitive development through structured play, hands-on learning, and preparation for kindergarten.
- 

### Facilities

- **Safe and Secure Environment:** Our preschool is equipped with a secure entry system.
  - **Creative Learning Spaces:** Inviting, child focused classrooms designed to stimulate curiosity and creativity.
  - **Outdoor Playgrounds:** Explore and develop gross motor skills in our spacious outdoor play areas.
-

## Our Curriculum

- **Play-Based Learning:** Hands-on activities and guided play encourage exploration and discovery.
  - **Early Literacy and Numeracy:** Introduction to letters, numbers, shapes, and colors through interactive games, stories, and songs.
  - **Social Skills Development:** Building friendships, sharing, and taking turns in a supportive environment.
- 

## Fine Muscle Development

- **Art Exploration:** Engage in finger painting, drawing, and crafting activities that promote hand-eye coordination and fine motor skills.
  - **Manipulative Play:** Play with building blocks, puzzles, and stacking toys to enhance dexterity and problem-solving abilities.
  - **Sensorial Experiences:** Explore sensory bins filled with textured materials and sensory play stations to stimulate tactile senses.
- 

## Large Muscle Development

- **Outdoor Adventures:** Run, jump, and climb on our safe and spacious playground equipment to develop gross motor skills and balance.
  - **Obstacle Courses:** Navigate through obstacle courses that encourage crawling, climbing, and balancing, promoting strength and coordination.
  - **Sports and Movement:** Participate in group games, ball play, and dance activities that enhance agility, flexibility, and physical confidence.
- 

## Family Engagement

- **Parent Involvement:** Stay informed and engaged through daily interactions with teachers and daily Class Dojo posts.
-
